

“Green Transport and Mobility” Seminar

Promoting Innovative Technologies and Practical Case Studies
for Low Carbon Transportation in Hong Kong

 **21 May 2024**
 **3:30pm – 5:30pm**
 **SME One Foyer, G/F, HKPC Building, 78 Tat Chee Avenue, Kowloon**
 **Free of charge**
 **Transportation sector and the public**

Registration

Event Introduction

Green transportation and low-carbon travel are closely related to us. This seminar will allow you to delve deeper into the importance and feasibility of green transportation. Stakeholders from transportation sector and the public are all welcome to participate.

The event is free of charge, and electronic attendance certificates will be provided upon request. Priority will be given to the participants of the Carbon Neutrality Competition. Limited seats available on a first-come, first-served basis. More details will be announced soon. Please follow our social media on Facebook and Instagram to learn more.

✨ Let's work together to achieve our goals of green transportation and sustainable mobility! ✨
